

FORKED DEER ELECTRIC COOPERATIVE, INC.

9/2025

Policy Bulletin No. 189 R2

SUBJECT: Re-location of Meters

POLICY:

The Cooperative will locate and or spot a meter location at the request of a member or consumer but will not move the meter location. The member or consumer's electrician will install the meter socket and service entrance. The Cooperative will then move service and re-connect their service and re-set the meter at the new location with any appropriate fees.

RESPONSIBILITY:

Operating Superintendent

PROCEDURE:

As outlined above
